

ColdClimate modules

Processor modules		Part number
MX213 CC	Processor module (compact)	00031494-00
MX213 CC CF 2GB	Processor module (compact)	00031494-02
MX213 CC CF 4GB	Processor module (compact)	00031494-03
MX220 CC	Processor module (compact)	00031493-00
MX220 CC CF 2GB	Processor module (compact)	00031493-02
MX220 CC CF 4GB	Processor module (compact)	00031493-03
MC206 CC	Processor module (advanced)	00031735-00
MC206 CC 4GB CFA	Processor module (advanced)	00031735-03
MC212 CC	Processor module (advanced)	00031736-00
MC212 CC 4GB CFA	Processor module (advanced)	00031736-03
MC220 CC	Processor module (advanced)	00031737-00
MC220 CC 4GB CFA	Processor module (advanced)	00031737-03
MH230 CC	Processor module (high performance)	00031673-00
MH230 CC 4GB CFA	Processor module (high performance)	00031673-03
MH230 CC ¹⁾	Processor module (high performance)	00032784-00
MH230 CC 4GB CFA ¹⁾	Processor module (high performance)	00032784-03
¹⁾ Hardware revision <KR110.000: 512 kB NVRAM, 16 MB internal mass storage, USB 2.0 (incl. 500 mA supply), 30 W for I/O, no TPM chip, minimum version M-Base 4.30		
Digital input/output modules		Part number
DI232 CC	Digital input module	00016411-00
DO232 CC	Digital output module	00016414-00
DIO216/4 CC	Digital input/output module	00016141-00
DIO232 CC	Digital input/output module	00019502-00
DIO280 CC	Digital input/output module	00019119-00
Analog input/output modules		Part number
GIO212 CC	Universal input/output module	00020623-00
AIO208 CC	Universal input/output module	On request
AIO216 CC	Universal input/output module	00020631-00
AIO208/SI CC	Universal analog input/output module	00026636-00
AI208/SI CC	Analog input module	00018843-00
AIO288 CC	Analog input/output module	00016157-00
PTAI216 CC	Temperature recording module	00017456-00
AIC214 CC	Vibration sensor input module	00028811-00 (on request)
Function modules		Part number
CNT204/H CC	Counter module	00016407-10
ISI222 CC	Positioning module	00016421-00
PVA208 CC	Proportional valve amplifiers	00028446-00
Interface modules		Part number
EM213 CC	Industrial Ethernet Master	00017470-00
RS204 CC	Interface module	00021674-00
Node adapter		Part number
ERS202 CC	Ethernet remote station	00032416-10
Fieldbus modules		Part number
CM202 CC	CANopen master module	00016404-00
DPM200 CC	PROFIBUS® DP master module	00018302-00

Fieldbus modules		Part number
ECS200 CC	EtherCAT® slave module	00019206-00
System networking		Part number
FM221 CC	FASTBUS module	00018091-10
FM222 CC	FASTBUS module	00018091-00
FM221/N CC	FASTBUS module	00018092-10
FM222/N CC	FASTBUS module	00018092-00
Grid measuring module		Part number
GSP274 CC	Grid measuring, synchronization and protection module	00021759-00
GMP232/1 CC	Grid measuring and protection module	00025966-00
GMP232/2 CC	Grid measuring and protection module	00025965-00
GMP232/3 CC	Grid measuring and protection module	00025968-00
GMP232/4 CC	Grid measuring and protection module	00025967-00
GMP232/12 CC	Grid measuring and protection module	00025966-20
GMP232/22 CC	Grid measuring and protection module	00025965-20
GMP232/32 CC	Grid measuring and protection module	00025968-20
GMP232/42 CC	Grid measuring and protection module	00025967-20
GMP232/52 CC	Grid measuring and protection module	00033159-20
GM260 CC	Grid measuring module	00026118-00
System modules		Part number
NT255 CC	Power supply module	00031427-00
BS203 CC	Backplane	00015947-00
BS204 CC	Backplane	00015948-00
BS205 CC	Backplane	00015949-00
BS206 CC	Backplane	00015950-00
BS207 CC	Backplane	00015951-00
BS208 CC	Backplane	00015952-00
BS209 CC	Backplane	00015953-00
BS210 CC	Backplane	00015954-00
BS211 CC	Backplane	00015955-00
BS212 CC	Backplane	00015956-00
BS213 CC	Backplane	00015957-00
BS214 CC	Backplane	00015958-00
BS215 CC	Backplane	00018623-00
BS216 CC	Backplane	00018624-00
Safety modules		Part number
SLC284 CC	Safety processor module	00017465-00
SDI208 CC	Safety digital input module	00017459-00
SDO204 CC	Safety digital output module	00017462-00
SCT202 CC	Safety counter module	00024877-00
SAI205 CC	Safety analog input module	00032462-00
