California Proposition 65 Warning

Dear Customer,

Proposition 65 is a California law that applies to any products sold in California. The official name of Proposition 65 is the Safe Drinking Water and Toxic Enforcement Act of 1986. Proposition 65 requires businesses to provide warnings to Californians about significant exposures to chemicals that cause cancer, birth defects or other reproductive harm. These chemicals can be in the products that Californians purchase, in their homes or workplaces, or that are released into the environment. By requiring that this information be provided, Proposition 65 enables Californians to make informed decisions about their exposures to these chemicals.

Proposition 65 requires California to publish a list of chemicals known to cause cancer, birth defects or other reproductive harm. This list, which must be updated at least once a year, has grown to include more than 900 chemicals since it was first published in 1987. For the current list, please visit <https://www.p65warnings.ca.gov/>.

Bachmann electronic GmbH has chosen to provide a warning based on its knowledge about the presence of one or more listed chemicals without attempting to evaluate the level of exposure. The products may contain listed chemicals at levels that are below the Proposition 65 level of concern or could even be zero.

WARNING:

This product can potentially expose you to chemicals including Nickel, Lead, Carbon Black, Formaldehyde, Lead Oxide, Antimony Oxide, Cobalt, Lead monoxide, Cadmium, Benzene-methyl, Beryllium, Mercury, Arsenic, Naphthalene and Bisphenol which are known to the State of California to cause cancer and birth defects or other reproductive harm.

For more information go to www.P65Warnings.ca.gov

Best regards
