### John McCain Act Confirmation

Dear Customer,

On August 13, 2018, the John S. McCain National Defense Authorization Act (NDAA) for the 2019 Fiscal Year was signed into law. Section 889 of the NDAA restricts U.S. federal government agencies from the procurement or acquisition of any equipment, system or service that uses telecommunications and video surveillance equipment developed by selected manufacturers in China as a substantial or essential system component, or as critical technology within any system (See §889(a)(1)(A)).

I hereby confirm that Bachmann electronic GmbH neither purchases components or equipment nor retains any services from: Huawei Technologies Company, ZTE Corporation, Hytera Communications Corporation, Hagzhou Hikvision Digital Technology Company, or Dahua Technology Company (collectively referred to as "Covered Companies").

If you have any additional questions regarding our sourcing policy, then please don't hesitate to contact us.

Yours faithfully,

Christoph Bacher  
Operations Director
